

When Depression Doesn't Get Better: Managing Treatment Resistant Depression

Monday, October 26 7:00pm
Avon Senior Center
635 West Avon Road

GUEST SPEAKER

Charles F. Caley, PharmD, BCPP, FAAPP

Dr. Caley is a board-certified psychiatric pharmacist and Clinical Professor at Western New England University with more than 30 years of experience in psychiatric pharmacy. A longtime clinician, educator, and researcher, he specializes in helping patients and providers maximize the benefits of psychiatric medications while minimizing side effects. Dr. Caley is a Fellow of the American Association of Psychiatric Pharmacists and a longtime NAMI educator and presenter.
